APRIL 2023

**YOU CAN'T AFFORD TO CUT
A FIBER OPTIC CABLE**

CALL BEFORE YOU DIG

CALL BEFORE YOU DIG!
1-800-292-8989
www.iowaonecall.com

Remember to call Iowa One Call before doing any digging or burning. La Motte & Andrew Telephone Company has put many miles of new fiber optic cable in the ground in recent years—don't assume you know where the cable is!

Damage to fiber optic cable can quickly add up to \$10,000 or more per incident.

Do your part to help us protect the underground utilities that we all rely on: Call Iowa One before you dig: 1-800-292-8989

Iowa One Call is a free service to you

**REVIEW YOUR
MONTHLY BILL**

Please take a few minutes this month to take a close look at your billing statement. We do our best to ensure billing is accurate, but sometimes things get missed.

We do not review each customer statement every month, so we are not aware if there are errors. The earlier you can bring any inaccuracies to our attention, the sooner we can fix them.

As always, if you have any questions about your bill, please call us: 563-773-2213 or 563-672-3277.

**OFFICE CLOSED
