 connection for nonpayment.
 \$30 reconnect fee.

INTERNET TROUBLESHOOTING TIPS

- Unplug router for 15 seconds, plug back in. If doing this process often, probably time for new router.
- Make sure didn't accidentally hit WIFI button on side of our SmartRG router.
- All cables are secured.
- Check if GFCI or breaker tripped.
- Check battery backups (Precision Power or CyberPower) are plugged securely into outlet.
- Check other devices to see if just one device is not working.
- Check how many devices are on 2.4 GHz or 5 GHz. Move if too many on one.
