# RESTRICT UNWANTED TELEPHONE SOLICITATIONS

In 2003, the Do-Not-Call Act was signed into law. This legislation allowed for the establishment and enforcement of a national Do-Not-Call Registry giving consumers a choice regarding telemarketing calls. **If your number is listed in the registry, all commercial telemarketers, except for businesses with whom you have an existing relationship or certain non-profit and political organizations, are not allowed to call you.**

Consumers may register their residential telephone number, including wireless numbers, on the national Do-Not-Call Registry via the Internet at [www.donotcall.gov](http://www.donotcall.gov) at no cost. Inclusion of your telephone number on the national Do-Not-Call Registry will be effective 31 days after registration. Your number will remain on the registry permanently. You are allowed to remove your number from the registry at any time. If you continue to receive telemarketing sales calls or robocalls, you can file a complaint by visiting [www.donotcall.gov](http://www.donotcall.gov), or call 1-888-382-1222 (TTY 1-866-290-4236).
